

My happy smiles calendar

sunday	monday	tuesday	wednesday	thursday	friday	saturday	WEEKLY BONUS

Track your healthy brushing! How to use: When you're ready to start, parents and kids write in dates and set mid-week bonuses together. (tip: keep prizes small and symbolic like stickers or special snacks). Color in the sun and moon after successful morning and bedtime brushes. At the end of each week, color in the star for an extra special reward (tip: do something you love to do together like go to your favorite park or build a fort). **Happy brushing!**
